BIDEONA Tempranillo de Laderas 2021

Bideona is our winery in the heart of Rioja Alavesa. Founded in 2018 by acquiring an existing winery, Bideona offers village and single vineyard wines that display the freshness, elegance and depth of flavours which we believe distinguish the great wines from Rioja Alavesa. We cultivate over 300 parcels of extraordinary vineyards on the slopes of the Sierra Cantabria, mainly in the villages of Villabuena de Álava, Leza, Samaniego, Laguardia, Navaridas and Baños del Ebro. The average age of the vineyards is 50 years, and many were planted in the 1920s, 30s and 40s.

Made from a high quality, low-yielding Tempranillo field blend from hillside vines (*laderas*) on limestone soils.

We decide the type and length of ageing individually for each vintage, using a combination of stainless steel, concrete, and used oak *barriques* and *foudres* for a total alternative ageing of 2-3 years.

Pure and precise aromas of cherries, red berries and thyme. Medium bodied, with good length and weight on the palate, showing beautiful balance between the fresh acidity, fruit concentration, and firm but fine-grained tannins. A versatile, very satisfying drinking wine and a great example of cooler-climate Tempranillo from Rioja Alavesa.
